

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 1-27 are presently active in this case.

In response to the several grounds for objection, the Abstract and Title are amended to correct the noted informalities. No new matter has been added.

In the outstanding Office Action, the Abstract was objected to for having legalese language; the Title was objected to as not being descriptive, and Claims 1-27 were indicated as allowed.

Applicants gratefully acknowledge the Examiner's indication of allowed claims.

Accordingly, in view of the present amendments, the grounds for objection are believed to have been overcome, and Claims 1-27 are believed to be in condition for formal allowance, and an early and favorable reconsideration of this application is therefore requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
